One agreement for bookings made through any reservation channel

$399.98	**$80.00**	**$479.98**
MINIMUM RENTAL	STANDARD RETURN TIME	RENEWAL BASE RENT
7 days	6:00 p.m. ET	$399.98 / 7 days

Initial base amount excludes applicable taxes, other disclosed fees, and any optional protection. The $80 refundable security deposit is separate from rental charges.

This agreement governs the rental confirmed by 8650 Auto Group LLC. The confirmed reservation and pickup inspection record identify the renter, vehicle, dates, approved drivers, and pickup/return arrangements. Those records supplement this agreement; customers do not need to re-enter that information here.

01 CHARGES AND PAYMENT

The first seven-day rental period is $399.98. A separate $80 refundable security deposit is required. If both amounts are collected initially, the base total is $479.98 before applicable taxes, disclosed fees, and optional protection. The security deposit is not a payment toward rent.

RENTER INITIALS - Rental charges & deposit: _____

Rental renewals are week to week, subject to vehicle availability, continued eligibility, payment, and company approval. The base price for an approved seven-day renewal is $399.98 unless a different price is agreed to in writing before renewal. Renewals are not automatic.

02 DRIVER ELIGIBILITY AND APPROVED USE

Only the renter and drivers expressly approved in writing by 8650 Auto Group LLC may operate the vehicle. The renter must hold a valid driver's license and provide requested identification and eligibility documents before pickup.

The vehicle may be used only for the purpose approved in writing and only when required insurance or protection covers that use. Rideshare, delivery, commercial, and other work-related use require separate approval. Do not assume personal insurance or one protection package covers all activities.

03 INSURANCE AND PROTECTION

Before release, the renter must present proof of coverage acceptable to 8650 Auto Group LLC for the renter, authorized drivers, vehicle, rental dates, and intended use, or purchase an available qualifying protection product where permitted. Coverage is subject to the actual insurer or protection provider's terms, limits, exclusions, and approval.

Optional protection charges, if selected, are additional to the base rental price and will be disclosed at booking. Declining an optional product does not establish that a personal policy covers this rental. No vehicle will be released until required coverage is verified.

RENTER INITIALS - Insurance & authorized drivers: _____

04 VEHICLE CONDITION AND CARE

The renter and company representative will review mileage, fuel, vehicle condition, keys, accessories, and existing damage at pickup. Inspection records and dated photographs may form part of the rental record. The renter must use reasonable care, comply with the law, and report safety issues, accidents, theft, damage, or breakdowns promptly. Smoking is prohibited.

05 PICKUP, EXTENSIONS, AND RETURN

Pickup is by confirmed appointment. Return the vehicle, keys, and supplied items to the agreed location no later than 6:00 p.m. Eastern Time on the scheduled return date, unless a different time is confirmed in writing. An extension request alone does not extend the rental. The company must approve any extension before the current rental period ends.

RENTER INITIALS - Pickup & return responsibilities: _____

The vehicle is subject to a return inspection, including fuel, mileage, cleanliness, and condition. Ordinary wear is not considered damage. Any refundable deposit balance will be processed according to Section 6.

06 SECURITY DEPOSIT AND ITEMIZED DEDUCTIONS

The $80 security deposit is refundable, less any documented, lawful deductions supported by the agreement and accepted fee terms. After the vehicle has been returned and the return inspection is complete, 8650 Auto Group LLC will initiate any refundable balance within three (3) to five (5) calendar days. The renter will receive an itemized explanation of any permitted deductions. The renter's bank or payment provider may take additional time to make refunded funds available.

The $80 deposit does not limit responsibility for independently documented charges or losses that are permitted under the accepted rental terms and applicable law.

07 MILEAGE, FUEL, FEES, AND INCIDENT RESPONSIBILITIES

Mileage allowance: 200 miles per day, totaling 1,400 miles for each seven-day rental period. Excess-mileage charge: $0.35 for each mile driven above the rental-period allowance.

Fuel return policy: Return the vehicle with at least the same fuel level recorded on the pickup inspection record, whether full, half a tank, or another level. If returned with less fuel, the renter may be charged the reasonable, documented cost of restoring it to the pickup level. No separate refueling service fee applies unless disclosed and accepted before the reservation is finalized.

Late-return charges, cleaning charges beyond ordinary use, and other additional fees apply only when their amount or calculation method was disclosed and accepted before booking, and only to the extent allowed by law. Normal wear alone is not damage. The renter is responsible for lawful tolls, citations, and other charges expressly agreed to. Any responsibility for loss, damage, deductibles, or roadside assistance remains subject to verified coverage, written protection terms, this agreement, and applicable law.

Mileage is determined from the odometer readings recorded at pickup and return. The 1,400-mile allowance applies to the entire seven-day rental period, rather than as a separate daily cap. Each mile above that total is charged at $0.35 (for example, 100 extra miles cost $35.00).

08 ACCIDENTS, DAMAGE, CLAIMS & GRAVES AMENDMENT

If an accident, injury, theft, or vehicle damage occurs, the renter must first ensure safety, seek emergency assistance and make any legally required police report, then notify 8650 Auto Group LLC promptly. The renter must provide accurate incident details and cooperate reasonably with the company and applicable insurers or protection providers.

The renter and any approved driver may be responsible for loss, damage, deductibles, and other legally recoverable costs arising from their negligence, unlawful driving, unauthorized use, or breach of this agreement. Responsibility is determined under applicable law, the facts, and the terms of valid insurance or optional protection. Renting the vehicle does not make the renter automatically liable for every accident.

Federal Graves Amendment (49 U.S.C. § 30106): A qualifying vehicle-rental business generally is not liable for injury or property damage solely because it owns a vehicle involved in an incident during the rental, provided the statutory conditions are met. This does not excuse the company's own negligence or criminal wrongdoing and does not override applicable insurance and financial-responsibility requirements.

09 CANCELLATIONS AND REFUNDS

The 8650 Auto Group LLC standard Moderate cancellation policy for the base rental charge is: 14 or more days before pickup - 100% refund; 5 through 13 days before pickup - 50% refund; 4 days or fewer before pickup - no refund of the base rental charge. Any additional booking-provider grace periods, required terms, or separately disclosed fees are controlled by the terms accepted with that reservation and applicable law. Security-deposit treatment is separate from cancellation charges.

10 COMMUNICATIONS AND ACKNOWLEDGMENTS

By signing this agreement, the renter acknowledges review of the rental period, base rate, security deposit, approved use, insurance requirements, mileage allowance, excess-mileage rate, return responsibilities, and disclosed additional charges. The reservation confirmation, signed vehicle handoff record, insurance/protection election, and pickup/return policy supplement this agreement. Mandatory law and any applicable insurance or booking-provider terms control the subjects for which they are responsible.

No verbal change to a price, rental date, authorized driver, permitted use, or return deadline is effective unless confirmed by 8650 Auto Group LLC in writing.
